

Bringing The Stadium Rock Experience to a Venue Near You! Classic Hard Rock At Its Best

Ransom are a Classic Hard Rock Band from South London, playing local venues and festivals across the country including Firevolt, Call of The Wild, Planet Rockstock, HRH Gt Yarmouth (Hard Rock Hell), supporting and sharing the stage with the likes of Skid Row, The Darkness, Girlschool, Ugly Kid Joe, The Gypsy Pistoreros, to name but a few. You can also hear them frequently played on many UK, US and European Independent Rock Radio stations such as MMH, HRH, COAR, Scotland Rocks, Hell Yeah, Outlaw Renegade Radio, plus many more.

"Ransom are on stage two, Matt is a fantastic frontman and the band are on fine form as they belt out original classic rock, rousing the crowd and certainly drowning out any remnants of this storm. One crowd pleasing band delivery quality rock – sold!" - Karen Clayton and Lucy Denis (getreadytorock.me.uk)

'Bringing the stadium rock experience to a local venue near you' was always the strap line for this hardworking 4 piece Classic Hard Rock band. Now, armed with a wealth of new and exciting original material, and a killer, tight, live set (honed from doing the hard yards, week in, week out around the London and home counties circuit) this band is now hungry and ready to 'Raise Some Hell' at any level.

"Their conviction is such that it's infectious! ...and those solo's that just come out of nowhere! Just pure British rock in your face, have it!" - Caz Parker (MMH Radio)

RANSOM are Matt Fielder - Vocals, Dave Barlow - Guitar, Zach Barlow - Bass Guitar, Zippy Lee - Drums
